

Bidding on Hodges Estate Rifles

There are three guns in the Hodges estate that are available for bids. The bidding process will be done through closed/sealed bids. To bid on any one of the three rifles you must:

1. Include the rifle number (1, 2 or 3), your name, address and phone number, and the amount you want to bid on the gun on an individual piece of paper.
2. Put this individual piece of paper in a sealed envelope. **Put this envelope in another and address and mail the outside envelope** to: John Way, President, BTRPC, 8509 SW Abalone St., South Beach, OR 97366.
3. Only one bid will be accepted from each person for each individual gun.
4. Upon receipt of your bid, the date and time will be indicated on the outside of the enclosed envelope. Outside envelopes will be opened and destroyed.
5. These closed bids will not be opened until the estate has been finalized. Unfortunately, we can not give you a date at this point in time. (However, the end is nearing for the closing of the estate.)
6. If these instructions are not followed, the bid will be considered null and void, and destroyed.
7. *The winning bid will be determined by the date and time, and the dollar bid itself.*
8. The highest bidder will have 30 days to pay for the gun and pick it up once notified.
9. If the highest bidder does not pay for the gun and pick it up within 30 days of notification, the second highest bidder will be notified.
10. All funds are to be paid directly to Big Timber Rifle and Pistol Club.
11. For further information about this bidding process and/or the rifles, contact John Way, 541-272-7243.

Good Luck!
