December 2021

2021 TURKEY SHOOT

Another turkey shoot came to a close at about 2:00 p.m. on November 20th. Due to the fog, we started with the iron sight competition, followed by pistol shoot and finally the scoped rifle shoot.

Congratulations Josiah! You were the youngest winner in this year's event. And thank you Wes for assisting him with your pistol.

All in all, there were 31 scoped rifle participants; 29 iron sight participants and 23 pistol participants. There were 20 turkey and 20 ham prizes won this year. Thank you to all who participated. I hope you had fun and will participate again next year.

November Work Party recap

There were several issues at the November 6th work party causing productivity to be a little less than desired. The weather contributed to not being able to complete as much of the projects on the todo list.

Work started on the archery range where brush was removed...until the main hose on the trackhoe broke.

Work then commenced on the rifle range where one tree was removed in preparation for the parking lot expansion. The tree then went to the burn pile. Bummer...we forgot to bring the

hotdogs and marshmallows...

We called it a day after discussing what can and will be done before the next range day. Mark, Bill and Jim agreed to meet on another day and fall more trees.

December Work Party

The December work party will be on December 4th. The projects to be worked on will be the archery range target stands and continuing with the rifle range parking lot expansion. Depending on the weather and how much tree debris we may burn the tree debris. There is always trash pickup.

Range and Event Schedule

Dec 4 Range work day and orientation
9:00 am to 3:00pm. All ranges closed
Contact: Lurlyn Patrick

Dec 11 CHL Class, Logical Response, LLC
8:00am-1:00pm Classroom
