- c. No person may go forward of a firing line except during a designated 'Cold Range.'
- d. During a 'Cold Range,' all firearms are to remain safely racked and there is to be absolutely no touching or handling of any firearms.

- e. During a 'Cold Range' there is to be no handling of firearms for the purposes of unpacking upon arrival or packing to leave.
 - f. All firearms must remain unloaded, racked or packed and untouched, while any person is down range and until the 'Hot Range' designation is called.
 - g. Only after the 'Hot Range' designation is called, may firearms be once again moved to the firing line for loading/firing and/or packed and unpacked for transportation.
9. A firearm shall not be handled with the muzzle pointed in the direction of any person.

All the rules are posted at the ranges so there is absolutely no excuse.

Also stated in the rules is your membership can be revoked for not following the rules. And please remember these rules are for your safety and for the safety of others around you.

Life is too short
to wake up in the morning
with regrets. so, love the
people who treat you right,
forgive the ones who don't
and believe that everything
happens for a reason.
If you get the chance, take it.
If it changes your life, let it.
Nobody said it would be easy,
they just promised
it would be worth it.
