March Work Party

The burn pile was scheduled, however, the pile did not cooperate and refused to burn. Sigh...so the metal rails at the 200 and 300 meter were worked on.

<<< << << >> >> >>

"A system of licensing and registration is the perfect device to deny gun ownership to the bourgeoisie."
...Vladimir Lenin

Thank you Marilyn for providing this month's notable quote.

<<< << << >> >> >>

April Work Party

The burn pile will hopefully cooperate so this pile can be reduced to ashes. Other items to be worked on will be the standard general tidying up of the range and fixing target stands. Work will start at the normal time (9:00 a.m.), however, a few of the regular people will be attending the project committee meeting.

Mentored Youth Hunter Program

The time shared between a youngster and a mentor is invaluable. There simply is no better way to introduce a young person to safe, ethical and responsible aspects of hunting than with the close supervision of an adult mentor that the Mentored Youth Hunter Program provides.

Youth Participation

A youth may participate in the mentored youth hunter program, without first passing an approved hunter education program, provided the youth:

- Is 9 through 15 years of age (effective January 1, 2018). Youth must be 9 at the time of enrollment. At age 16, a youth is no longer eligible to participate in the mentored youth hunting program. From age 16 through 17, a youth must pass an approved hunter education program and possess his or her own license and/or tags.
- Hunts while accompanied by a supervising hunter who is 21 years of age or older and who has a valid license and tag(s) for the dates, area and species being hunted.
- Annual registration is required.
- Has in possession proof of registration.
- Reviews and acknowledges understanding of material on safe hunting practices provided by the department.
- Follows all regulations regarding hunting in the given wildlife management unit, management area or location.

- Remains under the immediate control of the supervising hunter at all times while the youth is in possession of any legal weapon for the hunt.

Supervising Hunter

The supervising hunter shall:

- Have a valid hunting license and tag(s) valid for the dates, area and species being hunted.
- Ensure that all Oregon hunting regulations are followed. The supervising hunter shall be responsible and accountable for all actions of the mentored youth hunter while engaged in hunting.
- Supervise only one mentored youth hunter at any given time while engaged in hunting.
- Review information on safe hunting practices provided by the department with the youth.

Both Oregon residents and non-residents can participate in the Mentored Youth Hunter Program. contact Oregon Department of Fish and Wildlife for more information, 503-947-6002.
