email your calendar request by the 10th of the month to be included in the next month's newsletter. Go to the website for updates to the calendar.

April Work Party

Target stands were repaired on the rifle and pistol range. The 350 & 400 meter berms were fixed and they finished hanging the 500 meter target.

May Work Party

Weather permitting - work will continue with the parking lot expansion, pistol range prep work, moving burn pile and brush from the 400 meter berm to the archery range.

ANNUAL ELECTIONS

Ok so it's that time of year again. Nominations for the 2022/2023 board will be accepted at the May 16th Membership meeting. The election will take place at the June 20th Membership meeting.

As with all elections, your nominations and votes are important to the continuity and success of Big Timber.

REQUIRED RANGE ORIENTATION

The Board has approved the required range orientation for **ALL** new and renewing members. To assist all members in fulfilling this requirement several classes have been scheduled for the month of May. 23 classes are scheduled for June and, I am sure there will be several in July.

Classroom space will seat 12 people comfortably so please call or email me with the date/time you will be attending. My cell number is 541-270-0785 and email is manager.btrpc@gmail.com.

Why do I need to take this class? Well, first of all the General Membership rules indicate "all members must participate in a range orientation prior to being issued a gate key and using the ranges or facilities of the club." That is the technical side of this issue. The most important issue is the serious safety issue complaints that were received between September and December. More issues have trickled in since then but it definitely was a rude awaking that steps needed to be taken to ensure the safety of everyone. If you have further questions or concerns, please let me know.

Lurlyn Patrick, Range Manager

"It is foolish and wrong to mourn the men who died. Rather we should thank God such men lived."

– George S. Patton

WELCOME NEW RANGE MANAGER

On May 1st Mark Mills will be taking over as Range Manager. He has been a member for a few years, is active on the range with events, work day, and can be seen frequently working on the 50 yard range and parking lot expansion.

He has been a valuable resource for the range and will be a great asset to the leadership. Welcome Mark!

I am stepping down from this position, however, will continue with the newsletter and teaching the range orientation.

“Freedom is never more than one generation away from extinction. We did not pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.”- Ronald Reagan
