ANNUAL SIGHT IN DAYS RECAP

Saturday was a busy day, kinda, sorta. We had 28 people sight their rifles and on Sunday it was a near repeat with 26 people. Two people had issues with their rifles which required a little fixing before they could be accurately be sighted in. All in all several people are happy and ready for hunting and we wish them a successful hunt.

A big thank you to all the volunteers who assisted people with setting targets, spotting, rifle repair, selling raffle tickets and collecting the funds to sight in. Volunteers were: Bill Henderson, Marilyn Smith, Keith Stratton, Todd Peterson, Les LaCasse, Dan Geisert, Walt Heller, Mark Mills and Jim Patrick.

A Big Thank you to Lincoln County Parole and Probation

Your crew did a fantastic job clearing vegetation all the way from the gate to the rifle range. It is much appreciated and was so needed.

OCTOBER 1 RANGE DAY WORK SCHEDULE

Volunteers are needed to finish contouring the road to the 500 meter target and removing brush on the left side of the rifle range from the 200 meter to 300 meter berms. Berm repairs are needed and new rifle targets need to be made.

COMPLETED RANGE PROJECTS

Since the last range day (September 3rd) the following improvements have been completed:

1. Gutters and drainage has been installed on the classroom building.
2. Road to the 500 meter target has been contoured for drainage.
3. Brush piles have been moved from the 500 yard area of the rifle range to the archery range. These piles will be burned when burn permits resume.
4. Some of the berms have been repaired, however, more needs to be done.
5. Brush has been sprayed around the perimitted of the ranges (thank you Alan).
6. Parole and Probation crew cut vegetation along the road from the age to the rifle range.

Go afield with a good attitude, with respect for the wildlife you hunt and for the forest and fields in which you walk. Immerse yourself in the outdoor experience. It will cleanse your soul and make you a better person.
