NOVEMBER RANGE PROJECT UPDATE

The first phase of the parking lot expansion was completed in time for the Turkey Shoot. A steel rail was installed at the 500 yard. At the 400 meter berm the right rail was moved to the left side and a berm was installed. The 400 meter targets were moved to the 200 meter. Two new targets were installed at the 400 meter. More targets were moved and rearranged making all targets visible from all the stands at the rifle range. All in all, the rifle range is looking good.

Mark Mills, Range Manager
