Accuracy is not magic. It is the result of attention to detail and quality of materials in the hands of skilled craftsmen.

PRESIDENT'S MESSAGE

Thank you for your continued patience as we continue working on the organization of our club. As part of our commitment to transparency **all** proposed changes will be presented to the membership. **All** are welcome to make comments, however, if you want to be part of the actual vote on changes you will need to attend three functions/meetings within the six months prior to the issue being voted on. . Attending range day, the .22 Rimfire Challenge and the Military Rifle Challenges qualify as events if you need to increase your activity to qualify being able to vote.

That being said we will be voting on changes to the By-Laws. These will be outlined in this newsletter. Please review these items and make your comments known before we present the final copy for the vote

Feel free to reach out to any board member with any question you may have. I look forward to working with you over the next several months.

Bill Henderson

FEBRUARY UPDATE

The target was lowered at the 300. The road was smoothed out. Target stands were worked on. Alan worked on the berms. The 3rd container has been organized. The dueling tree has been removed so repairs can be effected.

MARCH WORK PARTY

As always, general clean up. This month we will work on removing trees from the gate to the road. New steel targets have been ordered (1/2" steel turkey, pig & chicken) and these will be hung on the rifle range.

BYLAWS REVIEW

explanation: This article is for the official address of BTRPC. It is recommended to use the actual address of BTRPC and not any officer or individual of the club. The existing verbage is lined through and the highlighted is the recommendation.

ARTICLE ONE

SECTION 1: The registered office shall be located at ~~71 Boulder Creek Dr., Otis, Oregon 97368~~ **158 Wade Road, Siletz, Oregon 97381**

explanation: Currently we do not have a method for removing a member for any obvious disregard for the rules. The addition of Section 10 would provide a remedy to this situation.

ARTICLE TWO MEMBERS

SECTION 10: Any member may resign by filing a written resignation with any of the board members. Resignation shall not relieve a member of unpaid dues or other charges previously accrued.

Any member who has been determined to be in flagrant disregard of the rules of Big Timber Rifle and Pistol Club can have their membership terminated by a majority vote of the members present at a membership meeting. The process for termination shall be as follows: The offense shall be presented to the membership for discussion followed by a motion for a vote. The members shall then be provided a paper ballot to completed and presented to the Secretary for the official count. Should there be a tie in the vote then a second session of discussion will take place followed by a verbal vote. The paper ballots will be maintained in a separate envelope with the name of the individual and a description of the offense. These records will be kept for a minimum of 10 years.

explanation: The following two items need to be reviewed. They are conflicting statements and one needs to be accepted and the other removed from the By-Laws. The conflicting statements are highlighted.

ARTICLE THREE

DIRECTORS

SECTION 2: Whenever any vacancy shall occur in the Board of Directors by death, resignation, disqualification, or from any other cause, the vacancy shall be filled at the next following monthly meeting. Each voting member shall cast one ballot voting for one nominee. The director elected shall be the nominee garnering the most votes of those voting members present. The director elected to fill the vacancy shall hold office for the unexpired term of the director whom he succeeds, and until his successor shall have been elected and shall have been qualified. Vacancies may be filled on an interim basis by the Board of Directors.

ARTICLE FIVE

OFFICERS

SECTION 4: The officers of the corporation shall hold office until their successors are chosen and qualify in their stead. Any officer or agent elected or appointed by the Board of Directors may be removed by the Board of Directors whenever, in its judgment, the best interests of the corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. **If the office of any of the officers becomes vacant for any reason, the vacancy shall be filled by the Board of Directors.**

If you want a current set of the By-Laws contact any board member. Provide your email address and it will be emailed to you.

**"TELL HER THAT A GUN
COLLECTION IS LIKE
WILDERNESS. EVEN THOUGH
WE DON'T USE ALL OF IT
ALL THE TIME, WE NEED
TO KNOW THAT IT'S THERE."**
