PRESIDENT'S MESSAGE

The rifle range is mostly done. Put rock down in front, hooked up the wood stove and installed stall mat on the bench tops. Going to try to move the wood pile on December range day. Not a lot of events or projects scheduled for next month. We are cancelling the membership meeting for December. Everyone have a good Holiday Season and come out and shoot if you get the time.

Jim Patrick

What is Christmas? It is tenderness for the past, courage for the present, hope for the future. It is a wish that every cup may overflow with blessings rich and eternal and that every path may lead to peace.

Agnes M. Pahro

AND THE WINNER IS....

Liz Kahler. Congratulations Liz. Mason Garcia selected the winning ticket at the turkey shoot. Thank you to all who purchased tickets and thank you to Walt Heller who made and donated the knife.

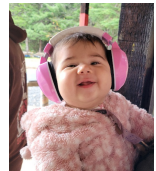

Turkey Shoot 2023

A big thank you to Newport Pawn Shop for donating the turkeys and hams. We appreciate you!

The turkey shoot was a lot of fun this year. 37 people registered to shoot; 44 entrants for the scoped rifle; 41 for iron sights and 24 for the hand gun shoot.

Of the 37 registrants there were two families of 5, however, the second family had a 6 month old who obviously did not shoot but was too cute with her little pink ears.

Of the 37 registrants 5 were under the age of 18. Truly a family event.

Thank you to all who made this a successful event. We look forward to next year!

In the meantime we are discussing bringing back the bacon shoot, taking place sometime this next spring.

Upcoming range projects will be constructing the 50 yard range building this next late spring/summer.

We are also planning on big changes to the archery range. The archery range targets will be reconfigured. We are discussing increasing the targets from 3 to 5 and staggering them from the shooting line. We are also discussing the archery building layout and needs. What we need are archers who are willing to commit to involvement in this process (which will also include archery events). Let us know if you are interested....
